NEWINGTON — Dreaming of sunnier skies? French's Worldwide Travel can help make that dream a reality with affordable packages to sunny destinations like Florida, Hawaii, or the Australian

coastline.

French's Travel is a full-service travel agency committed to providing exceptional customer service while meeting all your travel needs. They believe every trip is an experience and they want that experience to be a great memory.

Each of their agents has over 15 years of experience and love to travel. They want you to feel comfortable knowing that they have been to many of the places they recommend. They don't just go online and pick a hotel that looks good. They know what is great because of their experience and that guarantees you an unbelievable vacation.

One of the travel consultants, Karen, shared the following: "Each trip has a starting point even before the client comes to us. It starts with a dream of a place, or a need to just get away from it

"Each trip has a starting point even before the client comes to us. It starts with a dream of a place, or a need to just get away from it all. We take that inspiration and build on it and make it a reality for our clients."
